NEW Rider Deposit Policy

For riders who are NEW to KTRA and pay out of pocket for lessons.

Due to individuals in the past signing up for a spot and then becoming MIA when payment is due or canceling last minute before session starts without making a payment we have decided to enforce this policy as Revenues are vital to our Budget as a not-for-profit registered charity.

All non-funded riders (therapeutic or community) will be required to pay a non-refundable deposit to reserve their spot. The deposit will be the cost of one month of lessons along with an annual membership fee. The deposit/membership fee will be due upon receipt (we will send one reminder email). If payment is not received then your spot will be forfeited.

The deposit will be applied towards your full session invoice total.

Deposit Rates:

Therapeutic Rider - Non-funded - 30min Semi-Private	\$200
Therapeutic Rider - Non-funded - 30min Private	\$240
Community Rider - 30min Semi-Private	\$260
Community Rider - 30min Private	\$320

Thank you,
Ashley Sudds
Executive Director
